Hello,

Pm writing today to persuade the rejection to the proposal from Global Water to increase the rates in the city of Maricopa. The cash strapped residents of Maricopa currently pay double what neighboring cities pay and a further increase will cause a financial disaster. Many of us in Maricopa have had to severely alter our financial life to stay afloat, Global needs to do the same.

The proposed extreme increase in rates will only further drive people out of Maricopa. I ask that Global, like the rest of the businesses in Maricopa and Arizona deal with the economic downturn through financial responsibility, not through writing themselves a larger paycheck.

The docket numbers are below.

Thank you for your time,

Chris Voyles
